From the collection of:
Alan O'Bright

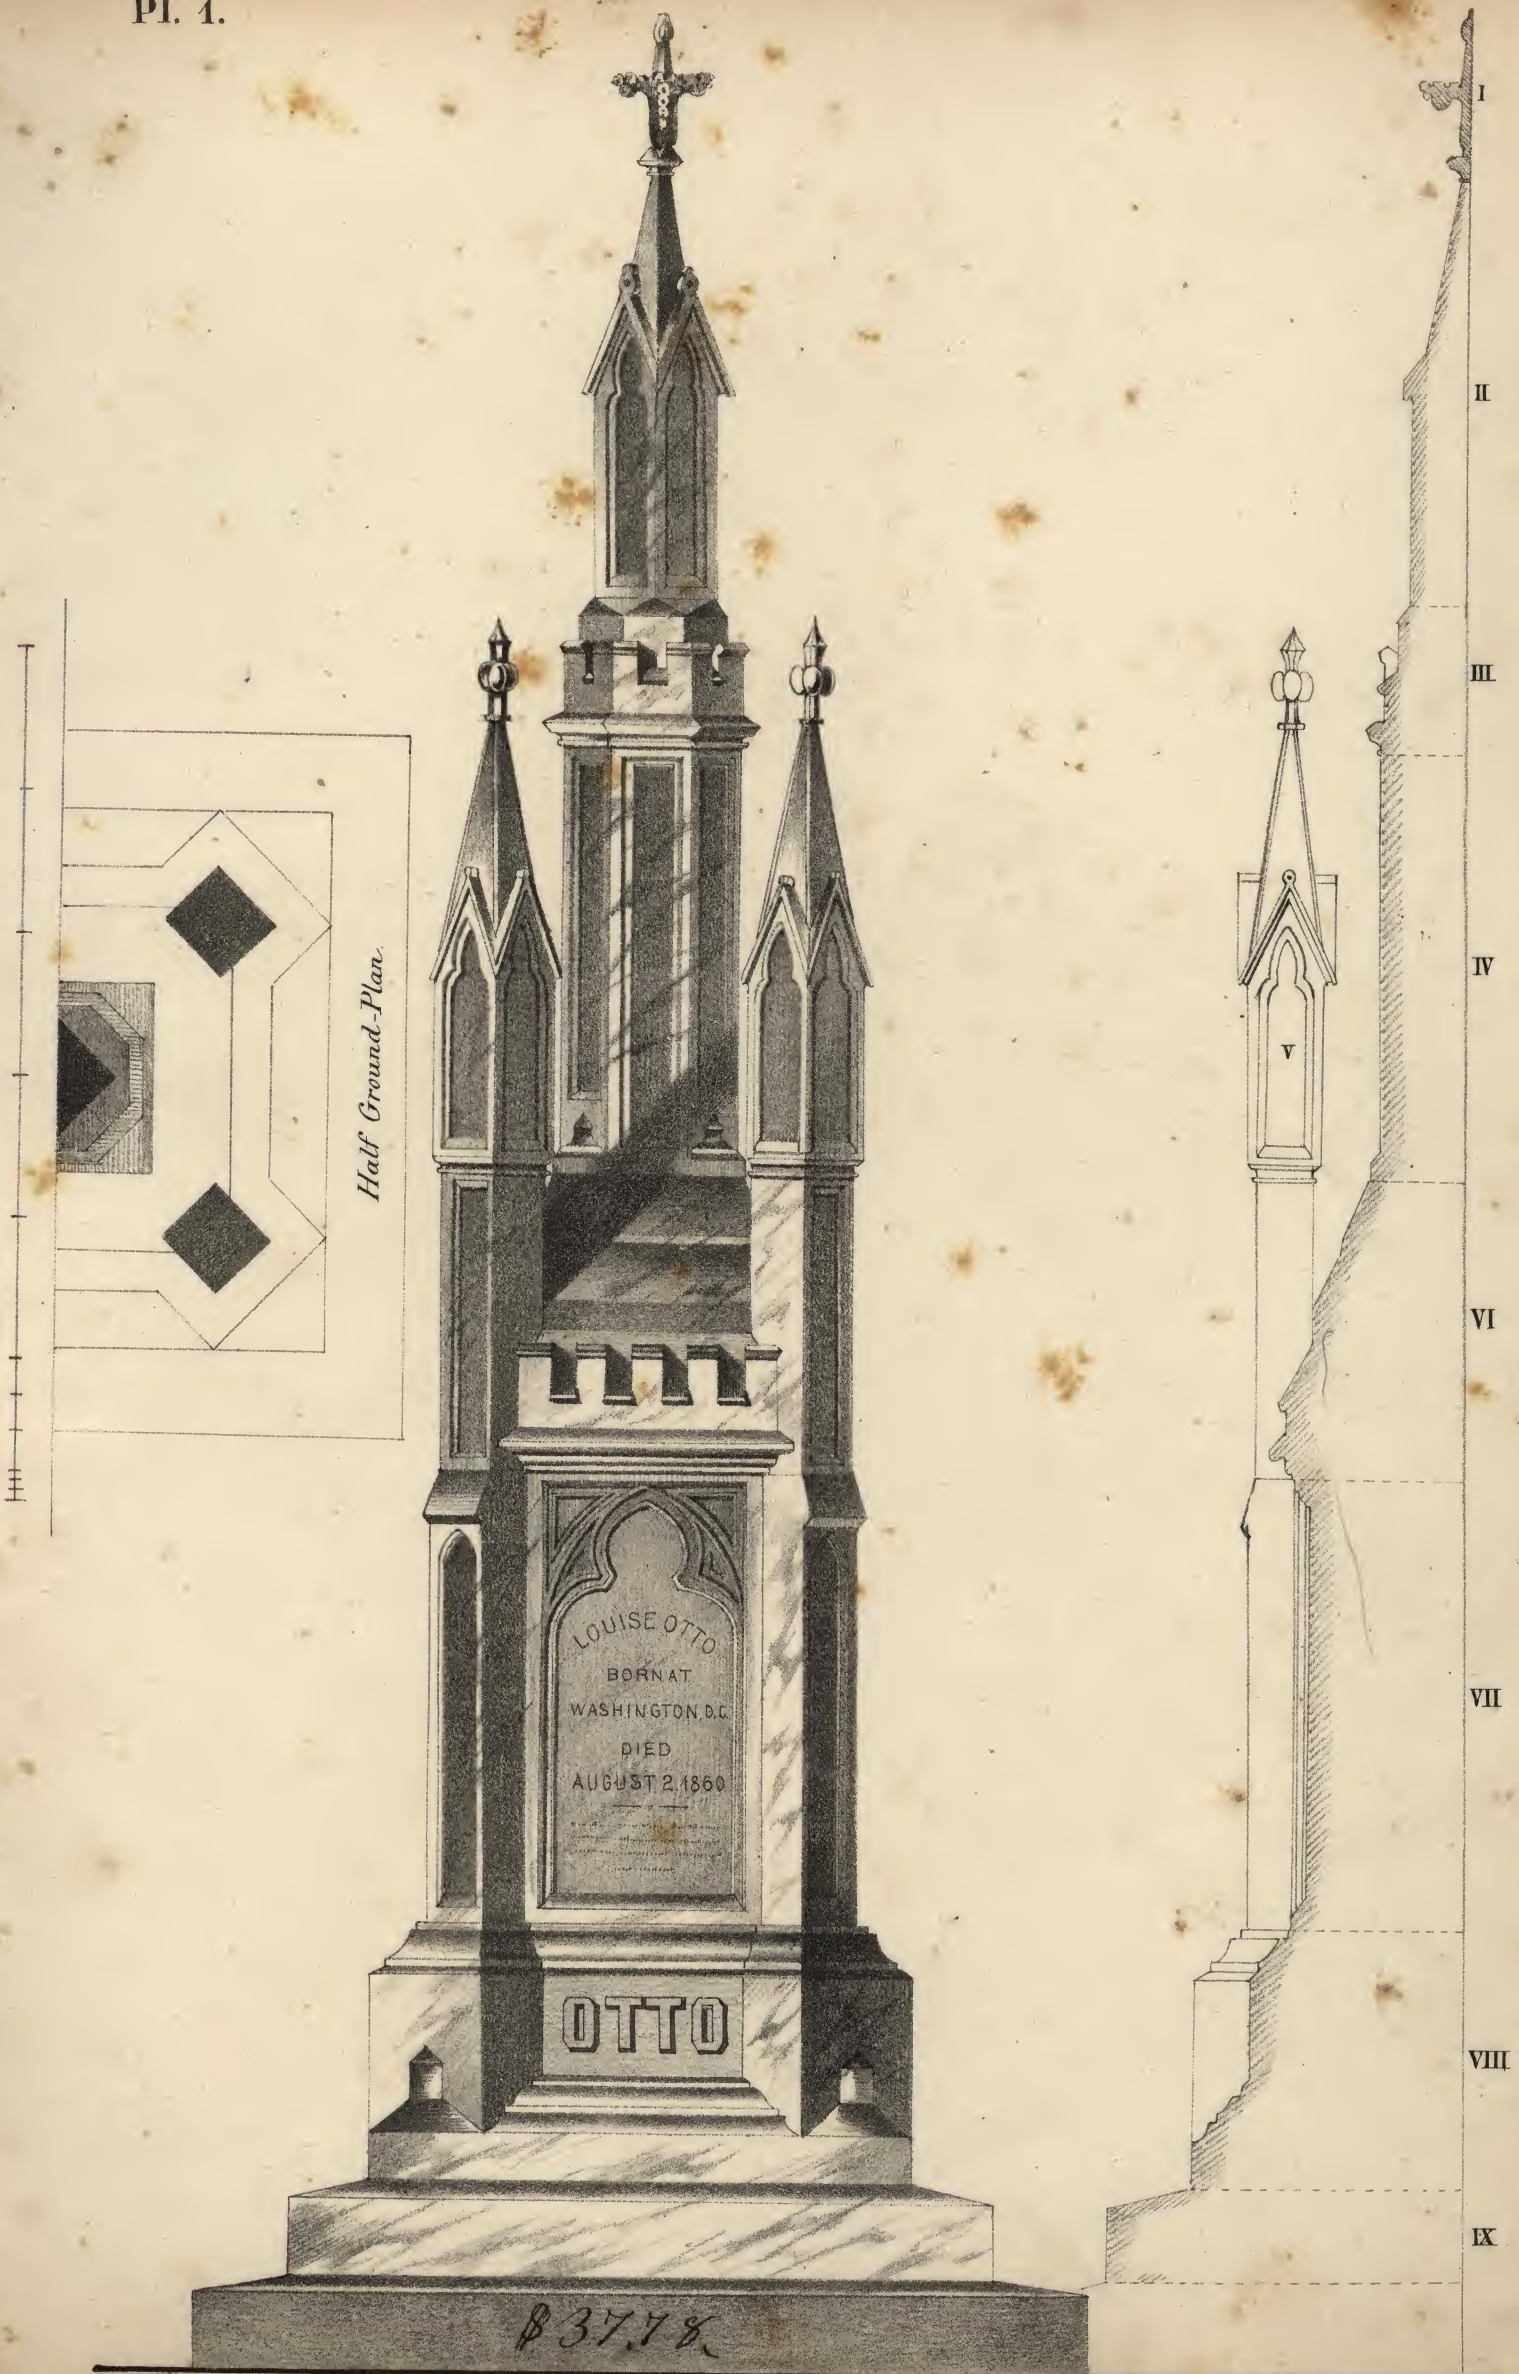

The Publisher of this work begs leave to inform Marble dealers in general that he will devote his time and attention to orders from Customers on designs for Cemetery work, such as Tombstones, Family Vaults, Mausoleums, and Monuments of all kind, from the plainest style up to the most perfect in beauty and grandeur. He will accompany all his designs with the necessary explanation, so as to give every facility for the execution of the work.

If desired, a table of the cost will be added. Being a practical workman and architect of all kinds of marble work he cannot fail to give entire satisfaction to all who may entrust him with their orders, and he promises to be prompt and charge reasonable prices. Particular attention will be giving for to designing for large Military Monuments.

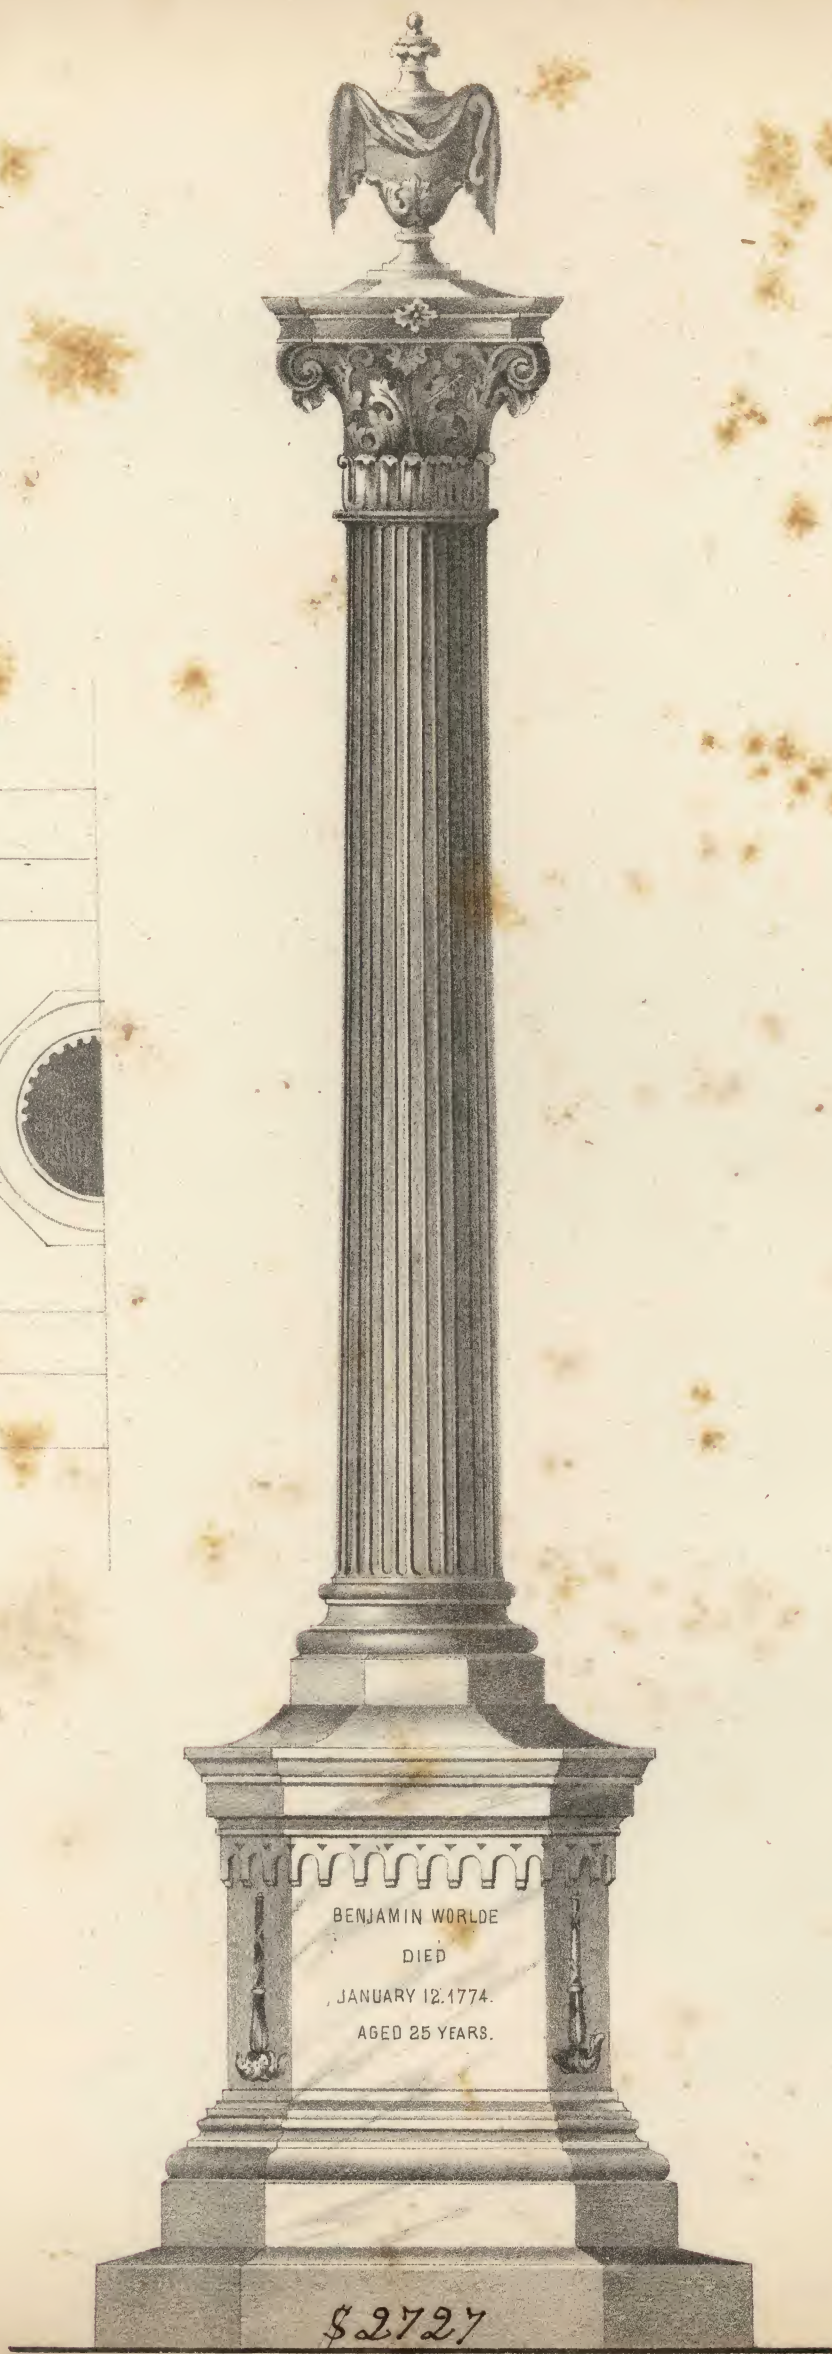

All orders should be written explicitly and given in detail as much as possible.

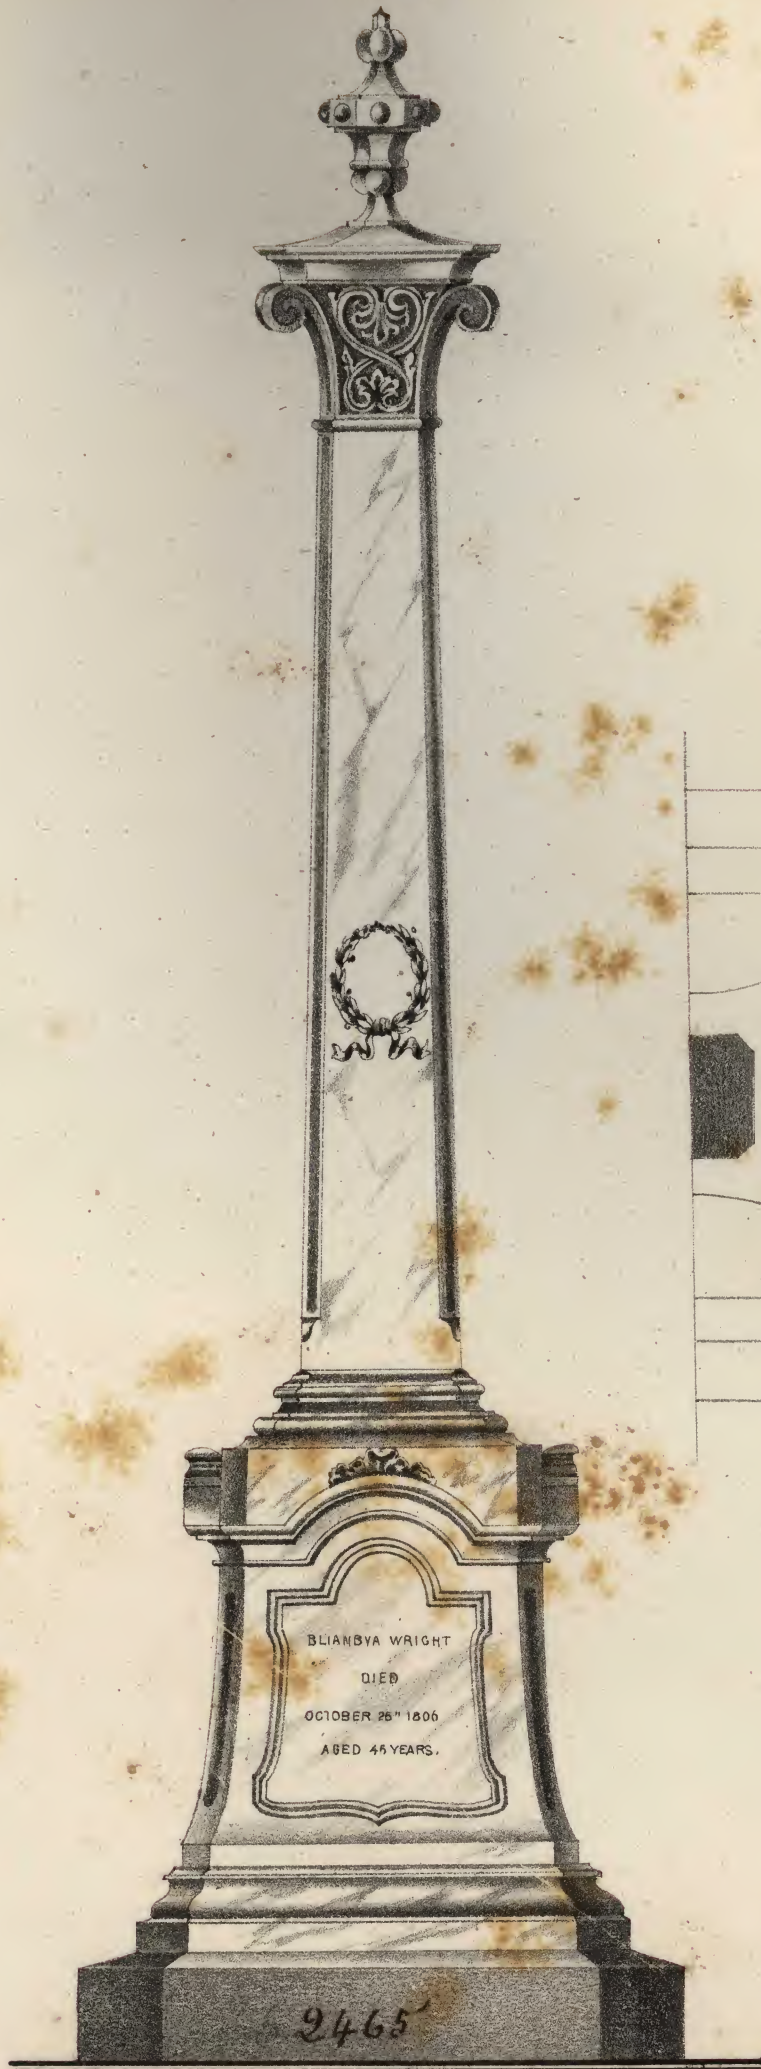

Very respectfully

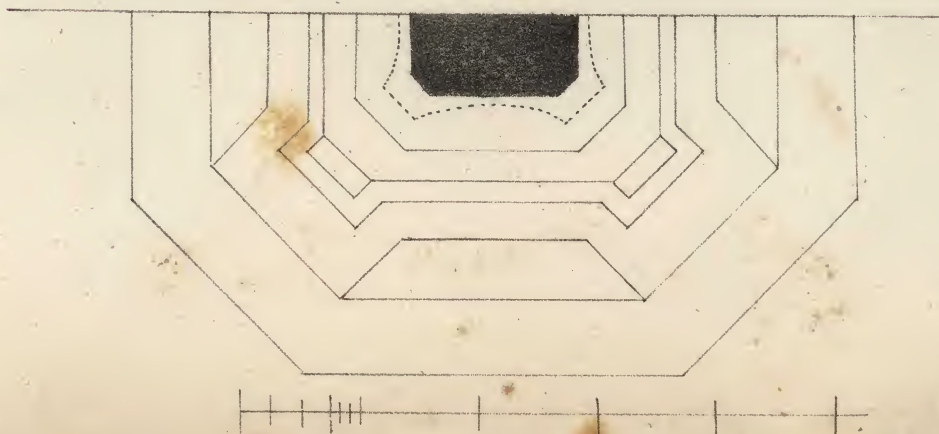

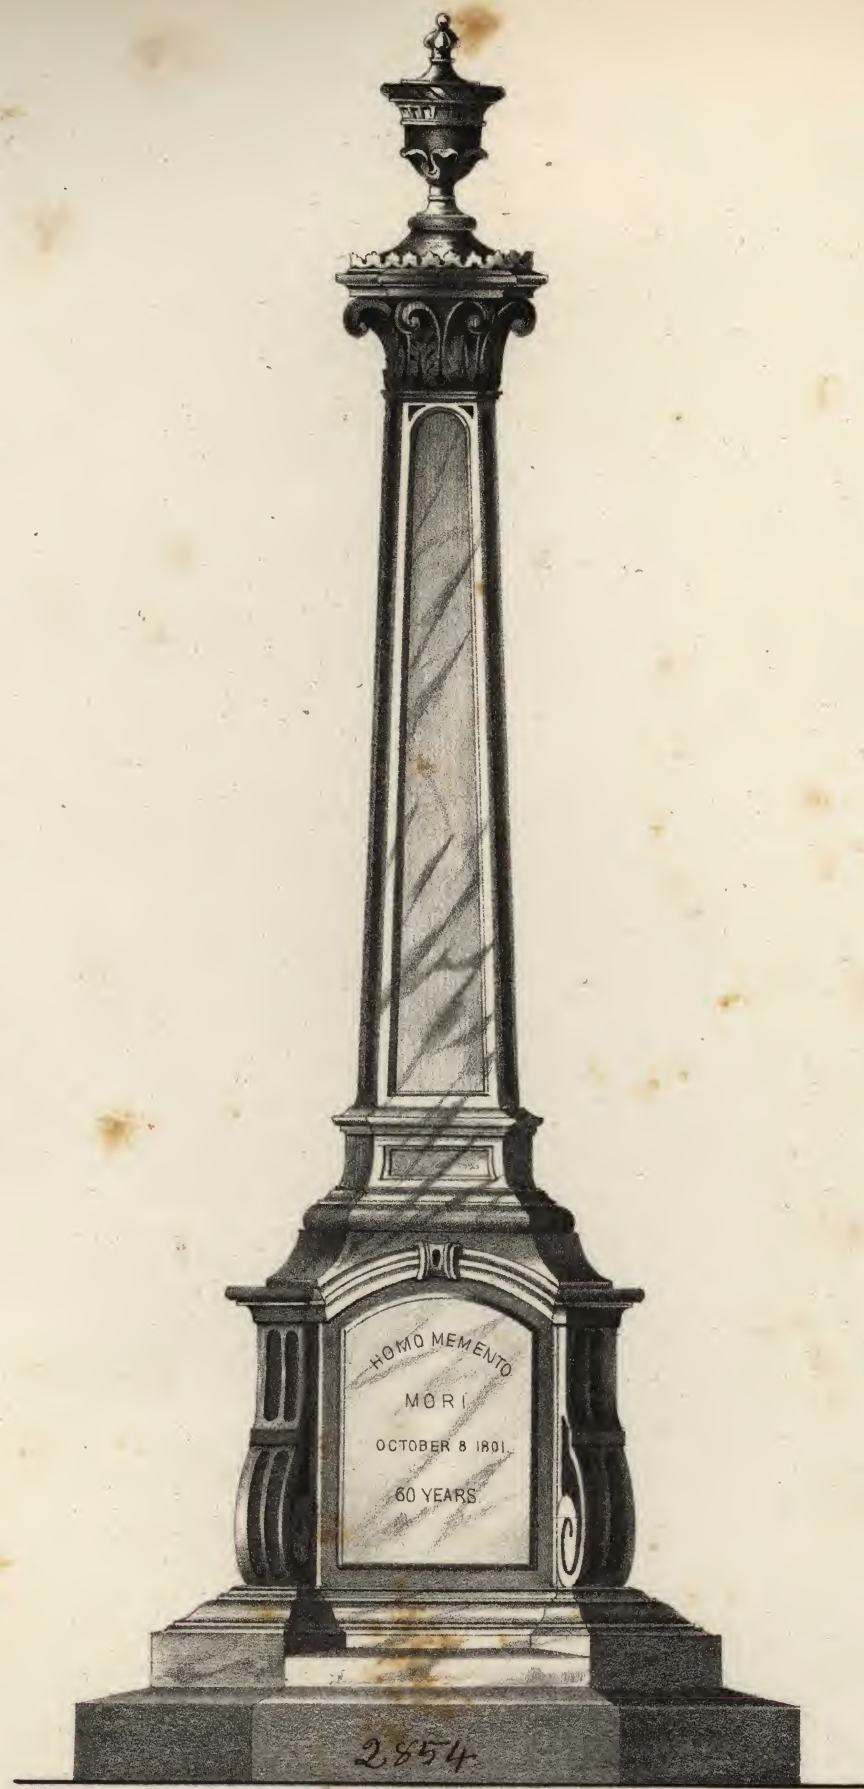

Jacob Schumacher,
